

## Hunting Park Baseball Field

### A component of the Hunting Park Revitalization Project

We have constructed a world-class baseball field that is unlike any other field in the city. This project is supported by Philadelphia Phillie Phanatic, who made the first gift of his family foundation a lead donation for this field. In 2010, he showed his support for the reconstruction of the baseball field by visiting the park and speaking with the Hunting Park community for a promotional event. As a result of the event, in 2011, the number of registrations for the Hunting Park Little League Baseball Program increased by 200% from previous years.

Before

After

The Hunting Park Revitalization Project is made possible by the following supporters: Cindy and John Affleck; Citizens Bank; City of Philadelphia; The Honorable Darrell L. Clarke; Commonwealth of Pennsylvania; Convergence Partnership Fund of the Tides Foundation; Edith R. Dixon; FMC Corporation; Hamilton Family Foundation; KaBOOM!; Patricia Kind; Laura and Marc McKenna; The McLean Contributionship; NFL Grassroots; Philadelphia Parks and Recreation; State Representative Tony Payton; The Honorable Maria Quinones-Sanchez; Robert Wood Johnson Foundation; The Ryan Howard Family Foundation and USTA.
